2

Online (4) **3**

	Browser/System	Hits	IP
https://www.jakweb.ch/faq/a/187/operator-status	Apple - Safari 14.1.1	100	84.78

- 1** On the online visitor map, we try to locate all visitors currently on your website where the live chat widget has been placed. Only active when your status is Online or Busy!
- 2** You can click on any pin to check on which page this visitor is. By clicking on the flag you can send an invitation message.
- 3** The same we have on a list below the map. It shows all important information as well.
