# Chat Buttons

1
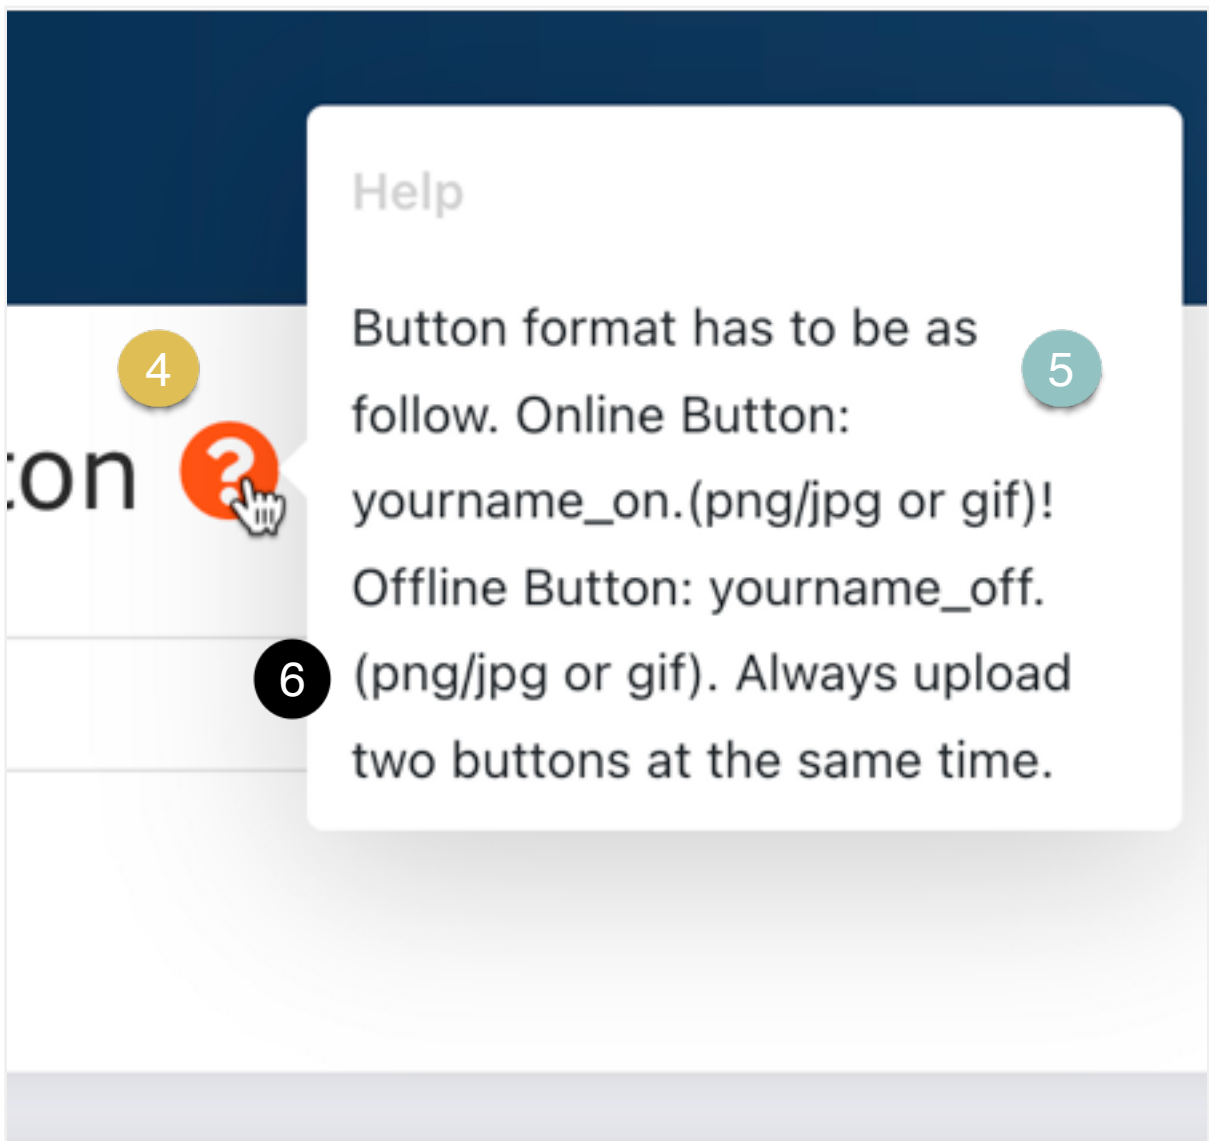

Upload your own Live Chat Buttons here. Please make sure you always upload 2 buttons at the same time. For more information see the next screenshot.

2

The buttons available, hover over for seeing the offline version.

3

You can delete the button with the "Red" button.

4

With the "Help" icon you always get more information how something works.
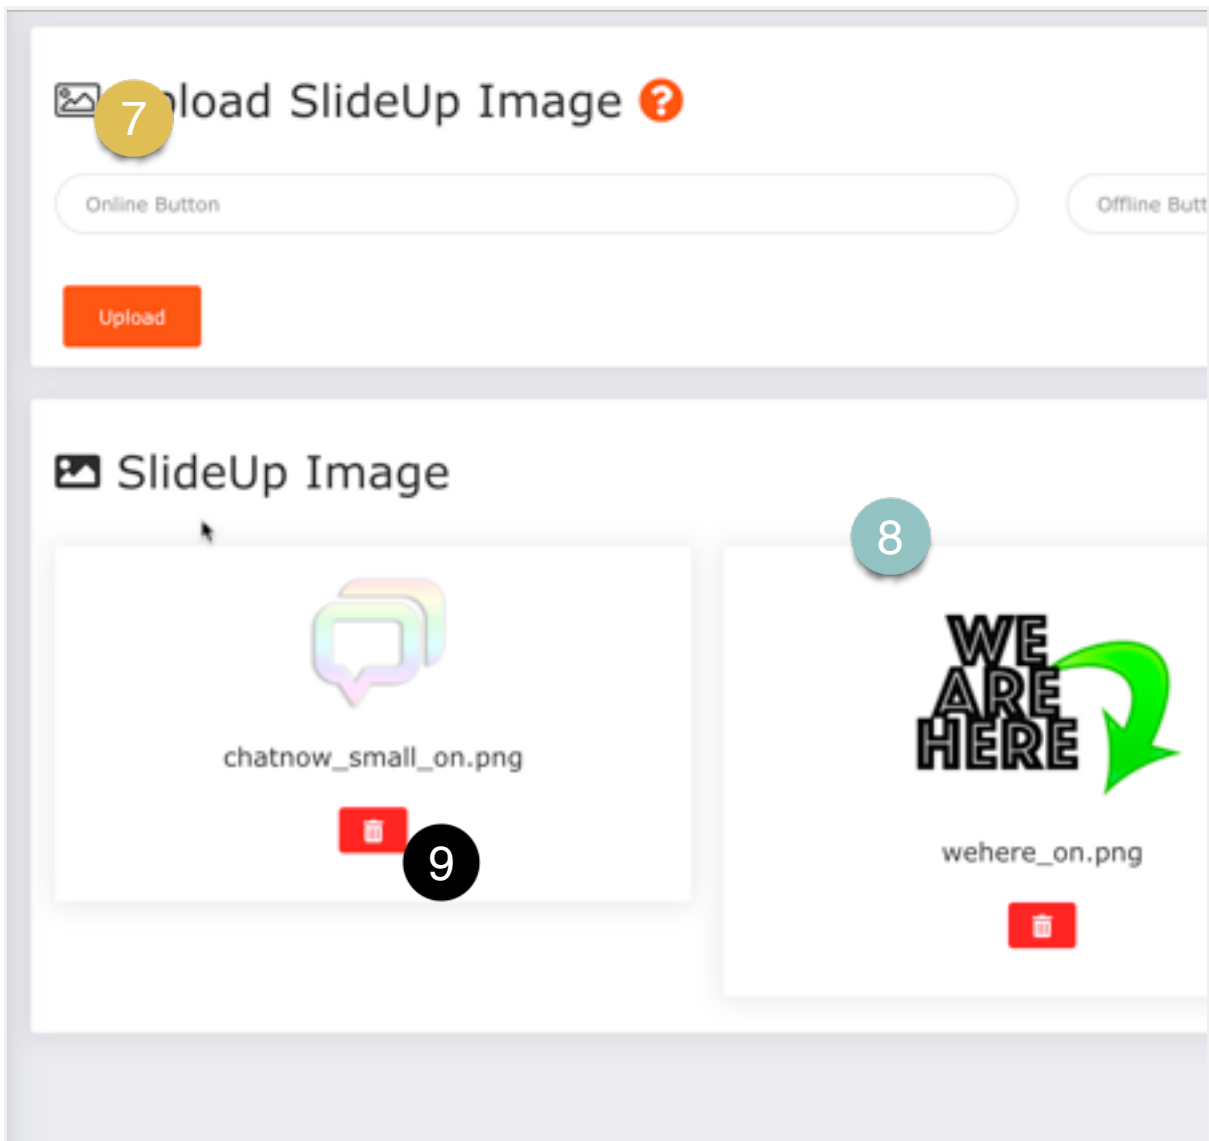

5

Please make sure you follow the help guide carefully or your button cannot be uploaded.

6

Allowed image formats are PNG, JPG and Gif's. Make sure to follow the guide carefully.

SlideUp Images

7

The same way you upload chat buttons you can upload your individual SlideUp Images. Please note that not all live chat templates support SlideUp Images

8

The available SlideUp images are shown here. Hover it and you can see the off-line status.

9

Delete a SlideUp image by clicking on the "Red" button.
